

## God, Help My Marriage

### Week 1-Study Guide

For God to use this series I must:

1. Understand that I cannot play the role of the **Holy Spirit**.
2. **Trust** in the sufficiency of God's Word.
3. Be willing to give up control and take responsibility.
4. Be willing to persevere.
5. Commit to pray for my marriage.
  - Pray that God would convict my heart of sin that is harming our relationship and that I would be willing to repent from it.
  - Pray that God (not me) would convict my spouse of sin and that he/she would be willing to repent from it.
  - Pray that God would guard our hearts and minds from the attacks of Satan.
  - Pray together for our marriage.
6. Commit to coming every week ready to respond to what God is saying to me.
