

“God, Help my Marriage”

Week 2 – Study Guide

Marriage is **God’s** idea and we cannot **understand** it apart from Him.

The fact that God created marriage brings about several implications:

- 1. It is good**
- 2. There’s a purpose for it**
- 3. He set the rules**

The truth that “Marriage is God’s idea” is shown through:

1. God’s creation of **male**& **female**. (Genesis 2:18, 1:27-28)
2. God giving **Eve** to **Adam**. (Genesis 2:21-23)
3. God **defining** marriage and **uniting** them together. (Genesis 2:24-25)

Discussion Questions:

In what ways have you treated your marriage too casually?

What does it mean for you and your spouse to be “one flesh”?

What are some things that are hindering that?
